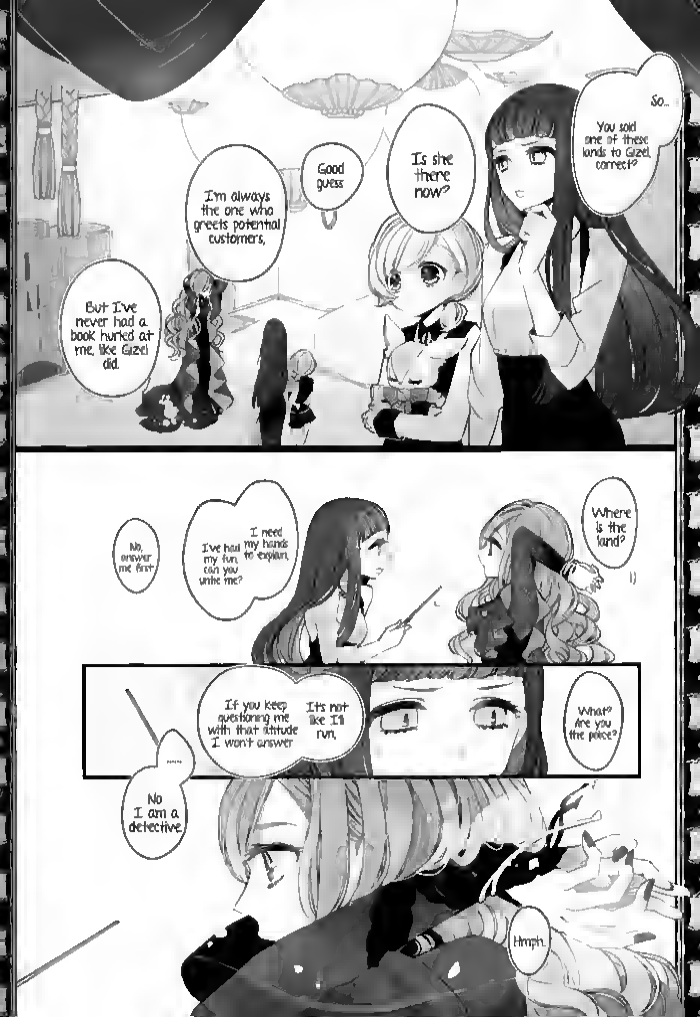
Agent Of Change
Translations!



So..
You said one of these lands to Gizel, correct?
Is she there now?
Good guess
I'm always the one who greets potential customers,
But I've never had a book hurled at me, like Gizel did.
Where is the land?
I need my hands to explain, I've had my fun, can you untie me?
Mh, answer me first
What? Are you the police?
It's not like I'll run,
If you keep questioning me with that attitude I won't answer
No I am a detective.
Hmph.

Poof
You don't look like a detective. Did Gill hire you?
EH!?
Yes, Is this your-
WELCOME TO MY SHOP!
It's close to 15 minutes if you walk and 5 minutes your if you ride a broom.
And for me, an in -shant!

Why did Gizel buy land from you...?
I doubt she sells normal land any way...
Make?
Well, you need to be here to make the land.
Did Gizel come here too?
Looks Around
Didn't you see from the memories of her room?
We did see that Gizel was searching for a way to fix the wands.
No, what Gizel was desperately searching for...
Was a place to hide the zombies that she created.
Zombies?
Hey, Gil, Don't go wandering on your own.

Beautiful, yes?
Are these miniature gardens?
Very
Those are made from my smoke, and the owner's heart
See the plot of land inside?
That's why inside these gardens, is a place made just for the owner
A place for them to call home. They can shape it however they please.
A place to have what they've lost
Hear-
We take just a little tiny piece.
And mix it in.
PINCH

The moving objects are people?
There are people inside!
You came too, Detective.
It's fun to observe the gardens
There's the owner
They're of that a painter garden
They use the gardens as a studio
Many of my customers are artists.
A lot of they say that they've always wanted to own their own island
And wealthy folks too, I suppose.
Business must be booming
That's not true. I only sell to those I like.
Is Guzel's garden in this room too...?
Here it is
Guzel's garden is very interesting, so I keep it by my bedside.

What a pretty colour. Is that a field of flowers?
I see a flower garden.
You don't look very well, Detective.
I'm getting a headache just thinking about the one responsible for the flowers.
Can the owner invite others inside their garden?
SURE CAN!
If only they couldn't!
Mr. Hampton, it seems that without a doubt my brother is-
SO PLEASE LET ME INSIDE THIS GARDEN!
Um.
I'd like to bring my sister home.
I'm afraid that would be a difficult task.
The owner is free to invite whom they want.
But I cannot allow uninvited guests.

T-then,
Does that mean I'll never see my sister again...?
THAT'S WHAT I'VE BEEN WAITING FOR!
Rest assured, there's a document for twins!
What is that book?
The cover is the contract.
And the inside contains the user manual.
HUH?
Read.
There's a risk with using a piece of your heart to create a miniature garden.
Sign here once you're done.

The owners can meet and interact with other owners if they wish.
The world inside the garden is one different from ours.
The only way for you to meet Gizel again is for you to become an owner too
I'm sure she has her reasons for not wanting to come out
So you intended to make Mr Hampton one of your customers from the start!
Nope.
You're the own who summoned me with the memories, Detective.
WHY DON'T YOU TAKE THIS CHANCE AND BUY ONE TOO?
You men-tioned you sold these to many wealthy people.
Mr Hamp-ton...

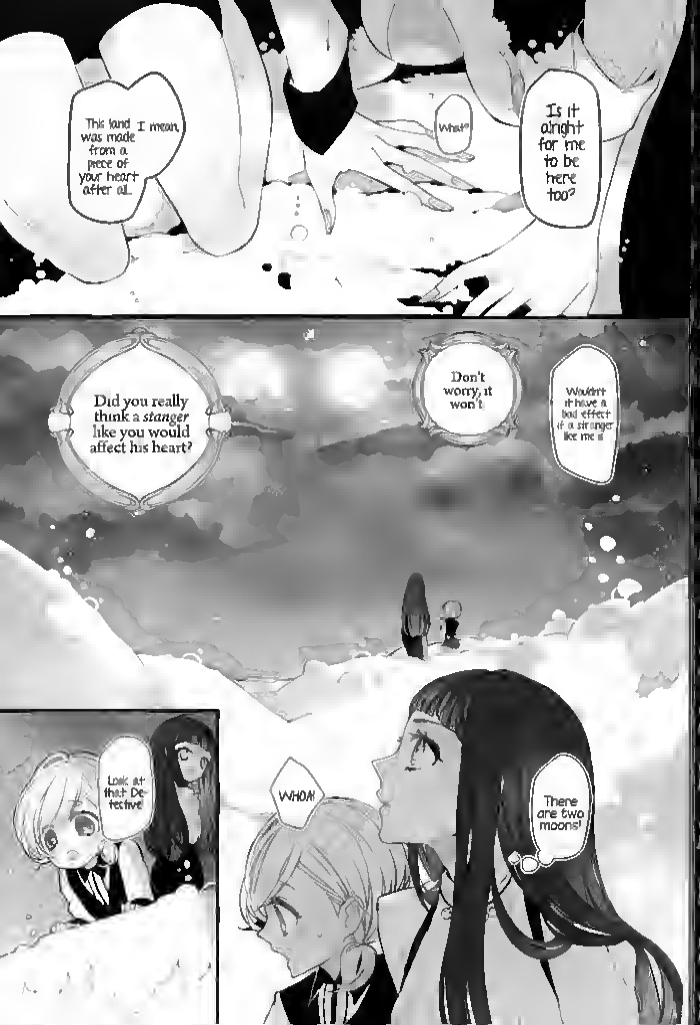
I think you should reconsider purchasing a garden.
A single garden must cost a fortune.
You scared me...
Eh?
Huh?
Umm...
I'm a rea -son -able. I'm selling lands inside price from dreams after all
The gardens are connected to a different type of kind.
It's illegal dromism, to sell that- yes?
This is perfectly acceptable in my home country
Hmph.
How vulgar. There is a law that restricts the distance normal citizens are allowed to teleport
Would you be mad if you rode a train or a broom here? What difference does it make?
You should stop making that face, you'll grow wrinkles.
Which reminds me.
Gized used up all the money she received for repairing the bodies
But still it wasn't enough.
So you'll have to trade something else as collateral too
Eh..?

I will sign the contract so please set me a garden
What a good boy you are, rich and family oriented
I'll do anything it takes if this is my only chance to meet my sister again
I have enough to pay for the both of us
What could be the reason why she won't come out?
Moreover...
Was it me who pushed her this far?
How could you Gizel... lock yourself up in a place like this...
I'm coming to see you now...
Very well
Let's begin
Let me touch your heart

What is it? What is it?
Something is happening outside!
Mama Gizel, what's wrong..?
Gizel?
WOW~
A new garden is being made
It's my first time seeing another garden being made!
We'll have some neighbours now Mama Gizel!

THUD
WAH!
Mr Hamp-ton!
Are you alright?
T-this feels weird!
A craftman's heart is most interesting indeed!
So the heart comes from my head...
My head?
Of course, they're in the same place!
Where did you think your knowledge and imagination was?

Weird.
They can't be considered neighbours!
We're practically connected!
What could this mean...?
FWOP
THUD
Ow!
That hurts...
This is my garden?
Yes.
Are you alright?



Is it alright for me to be here too?
Who?
This land I mean, was made from a piece of your heart after all...
Wouldn't it have a bad effect if a stranger like me is
Don't worry, it won't.
Did you really think a *stanger* like you would affect his heart?
There are two moons!
WHOA!
Look at that Detective!

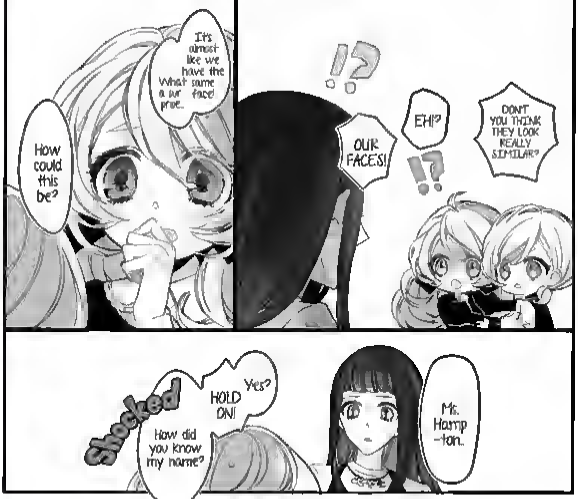
Anyways.
Why don't we walk in the direction of the palace for the time being?
Sure.
This scent...
Nicola must really be...
Thank goodness.
I'll finally get to see my sister!
The moons must be.
That witch's eyes.
Eyes?
I believe she is watching us.
She appears to be the type to eavesdrop for her enjoyment.
I see.
Huh?
Where is Momocomu-shunon?
I'm sure I brought him along...
?

Momocomu
-shunon-
Momo

Did she...
Come from the direction of Guzel's garden?
A ch-child?
In-deed.
Who is she? What is she doing here?
Cuddle
Cuddle
SNAP...
Detec-tive.
She is a very small and rather adorable...
Hello
What is your na
?
This scar on her head, And on her should-ers
They resemble the scarches on Mr. Hamp-ton's knee...
Grabs
Hello...

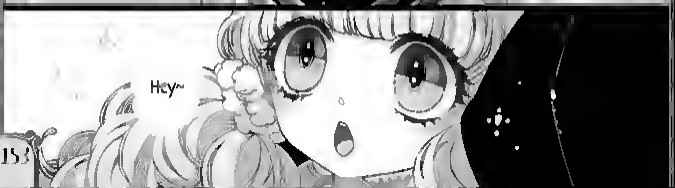
Dieter-five?
Was a place to hide the zombies that she created.
No, what Gizel was desperately searching for...
NO, CREPIS!
Please come back over here.

I'm sorry we entered your garden without permission
We're from the garden by-
Mama?
I was looking for you! Don't go far off on your own
Mama!
GIZEL!
I'M SO GLAD YOU'RE SAFE!
EH?
Hug
SISTER!
Gizel, I... I HAVE TO THANK YOU!
Wait um...
LET GO OF ME!
Who are you?
What do you mean sister?
W- why is your face...



How could this be?
It's almost like we have the same face!
!?
OUR FACES!
EH!?
!?
DON'T YOU THINK THEY LOOK REALLY SIMILAR?
Shocked
How did you know my name?
HOLD ON!
Yes?
Ms. Hamp-tan.

Who are you two?



Hey~

Gizel, who are these children?
12
CRICK
JOLT
Tap Tap Tap
Why? Why~
Why are your legs black?
Spin
Yes, I'm fine.
I'm sorry she's very strong. Oh no there's blood!
Tear
I'M SO SORRY ARE YOU OKAY!?
TITHONIA, WHAT HAVE YOU DONE?
Yes, I can.
I'll treat. Can you sit you walk? house.
Mr Hamp -ton?
You can have a proper talk with her there.
She's inviting us.
Mr Hamp to Gizels -ton, garden for the time being.

You came all the way here fo me, Gill...?
I came here to take you home, sister!
Will you forgive me for what I've done to our wands...?
Of course I will! Let's go home!
I thought you would be lonely without me by your side—
I thought you would be more hurt, and depressed—
Why, Gizel?
Gasp
Are you okay?
If you don't mind,
May I ask what's your name?
It's Gilbert.
My dear sister.
This is your garden that was just made right?
Yes..
Um..
Will you stop calling me your sister?
I don't understand what's going on but

Nice to meet you Gilbert!
Well, that makes us neighbours then!
What is this? It's like we're meet-ing for the first time!
Why?
Is she doing this on purpose because she's still mad?
This is making my head spin.
Things weren't supposed to be this way...
Let's go to our house together!
Papa will make us some flower tea. They're delicious!

Huh?
There's two more cups than usual
That's because we have guests.
The flowers are different than usual too!
They smell very nice!
They are very important guests so these are for the occasion.
You hate the guests don't you?
What makes you say that?
You're a meanie, Papa Nicola.
Those flowers don't taste good at all!

Seems like things are about to get interesting, what do you think?
It matters naught
But I shall welcome them in my own way
If they trample across my garden, I simply have to add more fertilizer
Papa Nicola?
Yes,
You've seen right through my plans, these flowers do taste a little foul
Who in the world could our guests be?
I won-der
But surely you will be sur-prised!
